PRICE INCREASE ANNOUNCEMENT

Dear Valued Customer,

Over the past days, the escalating conflict in the middle east has led to severe disruptions across global energy and feedstock supply chains leading to sharp increases in raw material and energy costs.

Effective April 1st 2026 or as contracts allow, the price of AltuglasTM and OroglasTM Acrylic Cast Sheets will increase by 10%

Your sales representative will be available to discuss any details regarding these changes, including product-specific considerations or timing under existing contractual agreements

We appreciate your understanding and continued partnership.

Sincerely,

Dr. Julien RENVOISE
